

SXG216+

The compact, low maintenance, affordable ride-on mowing machine for all seasons and all terrains. The baby of the Iseki range, but built to the same quality standards as larger tractors in the ISEKI range.

The ISEKI SXG216+ diesel provides year round, all weather cut and collection capabilities for today's home owners and gardeners. Combined with a compact design, exceptional manoeuvrability, good fuel economy and ease of use, the SXG216+ is an unbeatable package.

Gear drive to rotary blades and hose-lock fitting for washing/washout
