

## SXG323+

The newly designed ISEKI SXG323+ offers power, performance and unsurpassed productivity. A 48" (1.22m) mower deck with wider overlapping provides a superior qaulity of cut.

The large capacity, high torque 1123cc diesel engine is powerful and fuel efficient. The new ergonomic design, increased leg room and dial-in height of cut adjustment all provide excellent operator comfort. The automotive-style instrument panel gives clear information, including a fuel gauge.

## KEY FEATURES

Power: 14kW (19hp) at 2600rpm

Drive System: 2 pedal hydrostatic drive

Special Features:

Easy fill fuel tank, improved engine bay access, wider platform and fenders for safer operation. A Road legal (homologated) version is available. The low tip collector is shown above and a high tip

collector is also available.

## **SXG323+** Technical Data
