

## GT-222ES Trimmer

Designed for the homeowner, the GT-222ES is ECHO's only curved shaft trimmer. It features a professional grade 21.2cc 2-stroke engine, ensuring superior performance, durability and reliability.

Its curved shaft makes the GT-222ES ideal for trimming in tight areas, around trees and borders or along fence lines.

Lightweight and highly manoeuvrable, the ECHO GT-222ES weighs just 4.3kg\*.

### Easy Start

Denoted by the ES symbol on the trimmer, Easy Start minimises the effort required to start the engine. With Easy Start the pulling power needed on the starter rope is greatly reduced compared to other makes, with less kick-back effect in cranking.

*The ergonomic, loop handle can be adjusted to fit any user*

### SPECIFICATIONS

Displacement	21.2cc
Dry weight*	4.3kg
