PB-580

Backpack Blower

ECHO's PB-580 is a mid-sized backpack blower. It has a host of professional features normally associated with larger machines. Many of the features reduce fatigue and enhance user comfort thereby increasing productivity, such as a ventilated backpack pad, anti-vibration springs and padded shoulder straps.

PROFILE**

FEATURES

BENEFITS

Premium grade ECHO engine

✓ Improved power-to-weight ratio / extended product life

Ventilated backpack pad

✓ Keeps the operator cool

4 anti-vibration springs

✓ For reduced operator fatigue

Padded shoulder straps

✓ Allow comfortable operation and use over extended periods

Tool-less air filter cover

✓ For easy maintenance, even when wearing gloves

Pleated air filter

✓ For superior filtration

'L'-style frame

✓ Prevents product toppling over when on ground

Leaf guard

✓ Keeps debris out of fan intake

Stage 2 low emissions compliant

✓ Reduced exhaust emissions

Posi-loc™ pipe system

✓ Keeps the blower pipe sections securely connected at all times

Displacement	Dry weight	Output	Fuel Tank Capacity	Nozzle type	Air Volume*	Max air speed
58.2cc	10.3kg	2.05kW	1.8 litres	Straight	876m³/h	96.6m/sec
				Curved	864m³/h	93.9m/sec

* Figures measured in accordance with ANSI B175.2

Use ECHO products with ECHO's own high quality blend oils, for maximum performance

EXTENSIVE WARRANTY

ECHO power tools come with a **five year domestic warranty** or a **two year warranty** in professional use. For the domestic user there is the total reassurance of using equipment designed and built for professionals, and a five year warranty offers even greater peace of mind (Registration of ECHO products and servicing are necessary to validate the warranty)
